PROTECTING REFUGEES: CAMP LIBERTY

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2016

Mr. POE of Texas. Mr. Speaker, an estimated 1,200 Iranian dissidents remain in Camp Liberty in Iraq at the mercies of the pro-Iranian government in Baghdad. These refu-

gees, mainly members of the People's Mujahedin of Iran (otherwise known as the MEK) are unarmed, innocent people who have been forced to flee their homes because of their opposition to the tyrannical theocratic regime in Tehran. They have endured decades of exile outside of Iran marked by continuous suffering and persecution.

Since 2013, seven rocket attacks have targeted Camp Liberty, wounding hundreds and killing at least 139 residents. All of these attacks are believed to have been carried out either by Shiite militias in Iraq linked to the Iranian regime or by agents of the Iranian Quds Force. No one has been held accountable for these attacks. In fact, no one has even been arrested. Despite the fact that the Iraqi government signed a Memorandum of Understanding ensuring the safety and security of the residents of Camp Liberty, it appears that the Iraqi government's subservience to Iran takes precedence.

These dissidents are not safe in Iraq and must be relocated as soon as possible to some other country. Thankfully, 1,800 residents have already been resettled outside of the country, particularly in Albania, which took in the most recent batches of refugees leaving Camp Liberty in early August. However, recent reports from MEK sources within Tehran now suggest that the Quds Force is contemplating another major strike on Camp Liberty before the remaining refugees are allowed to leave. At the same time, Quds Force-linked paramilitary forces have been increasing their presence in Baghdad International Airport—a troubling sign that could presage another strike on the camp that is located not too far from the airport.

The Iranian government would like to extend the reign of terror it wages at home against any and all people who speak out against it—including the dissidents in neighboring Iraq. How many more people have to die? How many more times will unarmed refugees be attacked by rockets? The Iraqi government must live up to its commitment and protect these refugees until every last one of them finds his or her way to safety.

And that's just the way it is.

IN RECOGNITION OF A FARM LESS ORDINARY

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2016

Mrs. COMSTOCK. Mr. Speaker, I rise to recognize Maya Weschler and Greg Masucci of A Farm Less Ordinary in Loudoun County for the creation of this extremely important organization. A Farm Less Ordinary strives to provide a compassionate and useful service through the agricultural industry to both Loudoun County and the Commonwealth as a whole.

Maya Weschler and Greg Masucci moved to Loudoun after buying a family farm, where they sought to provide a safe and calm environment to raise their family. After seeing the positive impact the farm had on their autistic son Max, Maya and Greg decided to learn more about farming and to establish a place for others who faced disabilities to learn valuable work skills. Their farm has grown into an organization that is able to provide a sympathetic place of work and competitive compensation for their workers, who come from their partner organizations in Loudoun and Clarke County.

Maya Weschler and Greg Masucci strongly believe in being good stewards of the land and caring for the environment. Perhaps most of all, the couple firmly believes in giving back to the community through their organization and their Community Supported Agriculture network. The success of Maya and Greg is a tremendous accomplishment and their aspirations for expansion are admirable.

Mr. Speaker, I ask that my colleagues join me in congratulating Maya Weschler and Greg Masucci for their service to the community through A Farm Less Ordinary. I wish them all the best in their future endeavors.
